James Moore (1) married about 1675 Margaret Berringer, born 1660, the posthumous daughter of Colonel Benjamin Berringer of Barbadoes by wife Margaret Foster, who married secondly Sir John Yeamans, and had:

1. James
2. Jehu. (no record; according to family tradition, died young)
3. Roger
4. Maurice
5. John
6. Nathaniel
7. Anne
8. Mary
9. Rebecca
10. Margaret.

James (2), son of James (1) married Elizabeth, said by tradition to be a Neufville but hardly possible since that family did not come so early, most likely sister of Richard Beresford who made will in 1715. They had:

1. James, died 1771
2. Jehu, died 1744 without issue
3. John, died 1762
4. Margaret m. Col. William Sanders of St. George's, Dorchester Co.
5. Mary m. 1744 John Postell
6. Elizabeth (no record, but my guess would be that she married James Coachman that the article identifies in different manner.)

James (3), son of James (2) married Sarah Waring (?), and had:

1. Elizabeth married William Edwards of Charleston
2. James, seems to have gone to Chatham Co., Ga.
3. John, of age in 1774.

John son of James (2) died intestate 1761 leaving daughter Elizabeth. The account is not clear but she seems to have married William Coachman who died 1770 leaving wife Elizabeth and daughters Elizabeth (who married William Mathewes) and Magdalen

Roger, son of James (1), went to N.C. married first Mary Rayner by whom he had

1. George, married second Katherine Rhett and had:
2. William who had issue but no descendants
3. Mary married ~~Thomas~~ Smith Edward Harleston
4. Sarah married Thomas Smith
5. Ann married first John Swann, second Peter Taylor

Maurice, son of James (1), went to N.C., married first Elizabeth Lillinton, widow of Samuel Swann and had four daughters by her and second

- Mary Porter and had:

Mrs. Lewis L. Chapman,

Dear Mrs. Chapman:

Recently I searched through the book which you wrote, "Marriages of the Isle of Wight county, Va., 1628-1800", for the marriage record of Robert R. Peade to Sarah Godwin, possibly about 1780. My father-in-law, R. P. Reade of Durham, N. C. is a descendent of Colonel Stephen Moore, and in an old genealogy of the Moore's which is in his possession, it is recorded that Robert R. Peade married Sarah Godwin, both from the Isle of Wight county, Va. I should greatly appreciate it if you could give me some information about obtaining actual proof of this marriage, and who the parents were of each. Mr. Reade's father is living at age 92, at Timberlake, N. C., but has no recollection of his grandfather's name.

Do you have much information about the Dozier family? My mother was Bettie Anna Dozier, daughter of John Richard Dozier of Nash county, N. C.

I am very interested in becoming a genealogist. I have been working on the Dozier family as a hobby for about ten years. Will you kindly advise me as to how one might make this a life's profession? I am in my glory when I am among old records down in the basement of a court house.

Hoping to have the pleasure of hearing from you by return mail, and with best wishes, I am

Sincerely yours,

*J. Alton Price*
